

INDIGENOUS FOREST FIRE FIGHTER, AND FORESTRY AND RESOURCE WORKER TRAINING

Learn the skills you need to fight forest fires. You'll learn safety calls, understand what factors influence fire growth, lighting up drip torches and mock burn off, helicopter safety, expectations on line during the fire, power saw operations and cutting, and more. Participants also will receive all safety certifications required to fight fires.

For Indigenous People – Status, Non-status, Métis or Inuit. Fully sponsored course fees and supplies covered for eligible applicants.

Training at: Vancouver Aboriginal Friendship Centre, 1607 East Hastings Street, (downstairs), Vancouver, BC

Training Starts: TBA

Fight Forest Fires
