Re: ACCESS Summer Student Employment Program

ACCESS is accepting applications for summer student employment programs. This funding provides summer employment opportunities for secondary and post-secondary Indigenous students 15 years of age and over, residing in the Greater Vancouver Regional District and living off reserve. The program's objective is to provide students with meaningful work experience in areas related to their career path and to give them a first-hand understanding of work ethics and professionalism.

The maximum contribution for this program is \$15.20 per hour for secondary and post-secondary students, plus mandatory employment related costs (MERCs) up to 12% based on a 35-hour workweek.

Please submit a brief application with a job description attached for the position (s) requested. The deadline for applications is March 25, 2022. The earliest start date is May 9, 2022 and the end date cannot exceed past August 26, 2022.

Please do not hesitate to contact me if you have any questions on summer student placements, budget details or the participant selection process. My telephone number is 604-913-7933 ext 229 or you can contact me by email at eclare@accessfutures.com
